Artisan Interiors Upholstery & Design distinguishes itself through its comprehensive approach, offering a full spectrum of services including interior designing, custom upholstery, furniture design, and reupholstery, all under one roof.

FURNITURE DESIGNING

Clients can design custom upholstered furniture from concept to final product, selecting each raw material to be handmade by skilled local Artisans.

WORKROOM

They have a well-equipped upholstery workroom with industrial machinery and tools to handle a variety of projects which clients can visit. There is no distributor or middle-man, it is a one-to-one relationship between patrons and artists.

CUSTOMER SERVICE

They prioritize customer satisfaction and offer in-home consultations, fabric selections, and prompt service.

QUALITY CRAFTSMANSHIP

Artisan Interiors emphasizes high-quality craftsmanship and uses durable materials creating quality heirloom furniture and upholstery products made here locally in the city of Sacramento.

REUPHOLSTERY

They provide expert reupholstery services, bringing new life to existing furniture from many manufacturers, so they know the furniture life cycle and what it takes to build a well-made piece.

FAST TURNAROUND TIME

Artisan Interiors is known for its quick turnaround times, with an average of 5 weeks for custom projects.
